

LAIRHUB

March 8, 2024

Participants – Professor Javed Mostafa, Ruochen Zhao, Nibras Ar Rakib

Action items

- Develop a data model following Dublin Core guidelines
 - The data model should consist data sources from humanities and social science
 - Should be normalized
 - Sample data -
https://cdh.princeton.edu/documents/36/Humanities_Datasets_in_context_-_Dataset_List.pdf
- Implement the data model in MySQL database
- We will host the web application on dcddata.info
